About Me

4th grade is going to be a great year! This will be my second year at ACS. I'm a graduate of Liberty University Online with a Masters in Elementary Education, as well as a Bachelor's in Psychology from Erskine College. This is my fourth year in the field of education. I worked for a year and a half at a preschool, and prior to that I was a substitute teacher/paraprofessional. Teaching is my passion, but in the summer I've been a lifeguard, I teach swim lessons, and nanny two adorable little girls. My husband, Jeremie, is in the Army National Guard, but he is also pursuing a career in Youth Ministry and works at United Rentals. We both love the outdoors and traveling when we can. One of our favorite places we've visited was the Grand Canyon. I cannot wait to meet you and am looking forward to having you in my class!
