Psalm 139:14

ABOUT ME:

I earned my Bachelors of Art, specializing in Studio Art and Art History from the College of Charleston and I have spent 20 years working as a professional artist. However, my greatest accomplishment is dedicating my life and work to Jesus.

I am married to my best friend, Mr. Tyler Cook, and we have 3 kids, Trevor (7), Eva (2), and Oliver (1).

I believe children are God's masterpieces and it is a great honor to help them find their identity as creators, designed in the image of The Creator (Gen 1:27).

I look forward to sharing my knowledge and passion of painting, drawing, sculpture, printmaking, photography, art history, and literature as a Related Arts Teacher for Anderson Christian School.

Thank you for sharing your masterpiece with me!
