

Greetings,

I am very excited for my 22nd year of teaching and my third year at Anderson Christian School. I am very excited to be back at ACS! I am the Upper School Principal and will also be teaching Algebra 1 (Honors), Geometry (Honors), Algebra 2 (Honors), PreCalculus (Honors), and Fundamentals of Computing.

My wife, Erin, and I have been married for 25 years. We have 6 children, 3 daughters and then 3 sons. My oldest, Chrissy, is an Instructing Librarian for Truman State University in Kirksville, Missouri. Next, Elaine, lives in Hampton, VA and is finishing her degree online while working in my sister-in-law's restaurant. Olivia, my youngest daughter, is a Sophomore at Clemson University majoring in Animal and Veterinary Sciences. Joey, my oldest son, is a freshman at Clemson University majoring in Agricultural Mechanization and Business. My middle son, Sonny, is a Senior at ACS. Matty, my youngest, is in the 9th grade.

My family and I attend the Church of the Ascension, an Anglican church plant in Anderson. I serve on the Leadership Council, run sound, and teach children's catechesis. We enjoy hiking, camping, and disc golf. We also make soap, lamps, crocheted items, and handmade wood crafts that we sell at fairs and farmer's markets. We are slowly building a homestead on 12 acres that we purchased in Townville.

Anderson Christian School is the fifth South Carolina private school for which I have taught. I have previously taught at The King's Academy in Florence, 7 years at Trinity Collegiate School in Darlington, 4 years at Hilton Head Preparatory School in Hilton Head, and 8 years at Cross Schools in Bluffton. I also spent 2 years in youth ministry for the Church of the Cross in Bluffton. Over the years, I have taught all levels of mathematics as well as physics, computer, history, Spanish, robotics, woodshop, and Bible.

I am looking forward to meeting all of you in August!

Mr. Josh Hicks
