

Parents, Guardians, and Students:

I just wanted to welcome everyone back to school for the 2024-2025 year. For those of you who may not know me, my name is Mrs. Melnichenko. I teach Middle and High school English. Teaching is a passion of mine and I am overjoyed to see what this year is going to bring along with it.

I graduated from Clemson University and, although I grew up in Massachusetts, the south has always had my heart. I am blessed to be able to live here and be surrounded by God-loving people day in and day out. I have taught in various districts where I worked with students ranging in grades from elementary to high school and I can safely say that being at ACS has been my favorite experience by far. The Lord has taught me a lot through the lives of the young people and the colleagues that I am blessed to serve alongside with.

A few things that I enjoy doing (especially with my husband and 5 sweet kiddos) are kayaking, fishing, art and music. Outside of school, I teach choir and sing in a worship group. Every day is an opportunity to make a memory and the goal is to make memories that build us up. I pray that I can instill a love for leading a God-serving life in each one of my students, as well as a desire to live a life to its utmost potential.

If you have any questions, concerns or requests please reach out to me. I look forward to a blessed year together!
