

Welcome to AP Psychology

My name is Dr. Michelle Cutler and I am entering my 12th year on staff here at ACS. I am the administrator and this is the only class I am currently teaching. I am a graduate of several SEC schools. I received a B.A. from the University of Florida, a M.A. from the University of Tennessee and a Ph.D. from the University of Georgia. I taught numerous years at the University of Tennessee as a master's level student and for 6 years after receiving a Ph.D. I also taught throughout my degree program at the University of Georgia. I am looking forward to sharing psychology with each of you and give you a taste of college level learning.

I have been married to Jeff for 31 years. We have two children: Joseph (2019 graduate of ACS) and Danielle (2024 graduate of ACS) and one very friendly poodle named Tino. We love to travel, especially with the children. We have done mission trips to Honduras, Romania, and Ghana. We are active members of the Upstate Church of Christ.

I am looking forward to getting to know each of you better this year and to be a part of your senior year experience.

In Christ,
Dr. Cutler
